

PROJECT VIDA HEALTH CENTER

TEXAS VACCINES FOR CHILDREN

The Texas Vaccines for Children (TVFC) program provides free or low-cost vaccines to eligible children in Texas, ensuring they have access to recommended vaccinations regardless of their ability to pay.

Who is Eligible for TVFC?

- Children from birth through 18 years of age who are:
- Uninsured
- Underinsured (Insurance doesn't cover vaccines.)
- Enrolled in Medicaid or CHIP
- Native American or Native Alaskan

Available Vaccines

- DTaP
- Hepatitis A and B
- Hib
- HPV
- Influenza
- MMR
- Meningococcal
- Pneumococcal
- Polio
- Rotavirus
- Tdap/Td
- Varicella

PRIVATE STOCK FOR CHILDREN

Vaccines not part of these public programs are considered private stock. They are purchased by individuals or their insurance providers through private channels.

Available Vaccines

- DTaP
- Hepatitis A and B
- Hib
- HPV
- Influenza
- MMR
- Meningococcal
- Pneumococcal
- Polio
- Rotavirus
- Tdap/Td
- Varicella

ADULT VACCINES

The Texas Department of State Health Services established a program called Adult Safety Net (ASN) to assist adults without health insurance in getting vaccinated. This safety net helps protect adults from diseases which vaccines can prevent.

Available Vaccines

- Hepatitis A and B
- Influenza
- MMR
- Meningococcal
- Tdap/Td
