SERVICES	I am the custodial parent or legal guardian of the minor child named. I understand that I may not be required to attend my child's pediatric appointment, but I may if I choose. I authorize a Project Vida Health Center provider to treat my child in my absence and if necessary, an authorized adult may accompany my child to receive services. The authorized adult may be a Project Vida Health Center employee, Clint ISD employee and/or an adult named by either the parent/guardian.
EALTH	I understand that I must be present for the initial appointment for Therapy services and each appointment for Psychiatry services
ELEHI	I authorize and consent to this child receiving the following services from Project Vida Health Center, and its affiliated providers under the terms provided below. Services may include, but are not limited to:
ER TE	Services including but are not limited to: immunizations, well-child exams, sports physicals, acute care for minor illness and
ENT	injury, management of chronic illness, mental health services and, basic health education. Comprehensive physical examination (complete medical examination) including those for school, sports, working papers, and
тн с	new admissions. Medically prescribed laboratory tests as per providers' discretion and best practice.
HEAL	Medical care and treatment, including diagnosis of acute and chronic illness and disease, and dispensing and prescribing of medications.
/IDA	Behavioral health services including psychiatry, counseling, therapy, peer recovery coaching, evaluation, diagnosis, treatment and referrals.
ECT \	Reproductive health care services, including contraception, testing for pregnancy, STI screening and treatment, HIV testing, and referrals for abnormal results, as age appropriate per the Texas Family Code.
PROJ	Health education, peer support and counseling for the prevention of risk-taking behaviors such as: drug, alcohol, and smoking abuse. As well as education on prevention of pregnancy, sexually transmitted infections, and HIV, as age appropriate.
FOR I	
S	*See attached information regarding reproductive health services and parental consent.
눌	Consent for: Pediatric Services Behavioral Health Services
SE	Parent/Guardian Signature: Date:
CON	·I have read and understand the services listed above and consent for my child to receive medical care, treatments, and on-site diagnostic tests that Project Vida Health Center believe are necessary for my child
ATIONS	I authorize the school nurse/school representatives, the local public health department(s), dentist, and/or medical provider to obtain my child's medical records as needed based on the provider's discretion, which may include vaccine records, laboratory testing, radiograph results, HIV status, and behavioral health and substance abuse issues. A clinical summary is provided following most visits. This clinical summary will contain my child's personal health information
ITHORIZATIONS	obtain my child's medical records as needed based on the provider's discretion, which may include vaccine records, laboratory
SES & AUTHORIZATIONS	obtain my child's medical records as needed based on the provider's discretion, which may include vaccine records, laboratory testing, radiograph results, HIV status, and behavioral health and substance abuse issues. A clinical summary is provided following most visits. This clinical summary will contain my child's personal health information which includes, but is not limited to: the patient's name, date of birth, medical diagnoses, medications and health education. This summary may be in the format a phone call, or if web-enabled through the HEALOW app. I have had the opportunity to ask any questions and have had them answered in a language that I understand. I further agree to abide by the terms of this consent. I understand that this document remains in effect until I revoke my consent in writing. I also understand that I am free to revoke my consent at any time.
